 - a. Loss of Premium money
 - b. Loss of Awards
 - c. Suspension from showing that animal as deemed necessary. Penalty may be for one show, two or three or as long as deemed necessary for the offense.
 - d. Suspension of the exhibitor being the same as other S. G. B. I. Rules penalties.

31. Failure to adhere to each shows specific rules shall also be subject to these penalties. Proper protest procedures must be adhered to according to that particular show's rules. SGBI will follow each show's rules and any action taken by a show will be upheld by SGBI in relation to its bearing on our point show system.

32. DISQUALIFICATIONS: An exhibitor who has been disqualified from competition in any livestock show or has had a premium withheld or withdrawn on the grounds of rule violation(s) will not be allowed to compete in other shows. This shall include, but is not limited to, disqualification for fraud, misrepresentation, unethical fitting or deception. Judging procedures will not be interrupted for protest investigation; and depending on the basis

of the protest, a decision may be withheld until a thorough investigation is completed. No complaint or appeal that a judge overlooked an animal will be considered. If any exhibitor, in any way, whether in person or by their representative, interferes with the judge(s), or shows any disrespect to them or to show officials, the existing show may excuse him/her from the ring and exclude them from further competition; exhibitor premiums that may have been awarded may also be withheld. If an animal is disqualified after having won awards or premiums, the animals placing below him may be moved up (at the option of the Shows and Exhibits Committee) to fill the vacated position.

SECTION SM - SIMMENTAL

Exhibitors must make entry in Class 1 for all females they wish to enter and Class 16 for all bull entries. The Dept.-Section-Class number must be listed for each female or bull you wish to enter. For example, list the female's Dept.-Section-Class number 5 times if you are entering 5 females. Be sure to enter group classes by listing that corresponding class number. After the cattle have checked into the Fair, they will be listed by age, youngest first, and then divided into similar size Groups. The groups will be divided by taking the total number of animals (females and bulls) entered, divided by 4 and then add three classes. The individual show will start with the youngest female class. Individuals will enter the ring with the youngest first. The 2 classes of cow/calf are to show for cow/calf champion (not to be included in the senior champion class or grand champion). Cow can be shown in-group classes without calf. Cow must show evidence of naturally raising the calf on show day. Group classes will show last.

All animals must be at least 75% Simmental to be eligible to show. These divisions and the distribution of the information to the exhibitors and spectators will be the responsibility of the Indiana Simmental Association. Only 2 premiums are paid in individual classes and 1 in the group classes for each exhibitor.
